Strategic Plan 2024-2034

Our Vision

Connecting our community

Our Mission

To provide an inclusive, sustainable, and future-proof facility that supports our community and encourages participation.

Goals

TRUSTED, TRANSPARENT ORGANISATION

We are trusted by our community.

FUTURE-FOCUSED FACILITY

We are innovative and strive to continuously meet community need.

SUPPORT WELL-BEING

The wellbeing of our community is what drives us.

SUSTAINABILITY

Our organisation will prioritise sustainable practices.

2024/25 Strategic Priorities

Publicly consult on our Strategic plan on a 5-year review cycle.

Proactively develop and enhance relationships with local business and key funders.

Sustain strong relationships with founding codes, stakeholders and community.

Minutes and decisions of the MHCC Board are accessible.

Maintain a strong working relationship with TDC.

Review, maintain and adapt existing spaces to ensure the evolving needs of the community & users are being met.

Identify and prioritise capital works programme subject to funding and financial viability.

Finalise long-term facility-needs assessment (in time to feed into Tasman District Council 2027-2037 LTP).

We partner to deliver a range of diverse programmes.

Invest in opportunities for more people to connect and participate, formally and informally.

Investing in our people is an investment in our community.

Transition to reduce our carbon footprint by the longer-term plan for investing in solar and alternative technologies.

Increase financial sustainability through strategic investment.

Volunteers are a key component of our sustainability.
