

Making the active choice the easy choice

JANUARY 2014

Dear Community.... **It is with great excitement we can inform you that Moutere Hills Community Centre is now re-open!**

The Woollaston Estate Function Room, Hyatt Room, Bar and Kitchen are now all available for hire for meetings, social occasions, functions and events. Staff are currently in the process of relocating the office back down to the Community Centre. We must acknowledge the support of Grant Watson and his team at Upper Moutere School who provided us with their office space, advice and moral support this past year.

IBM construction and their contractors are continuing to work hard to complete the remainder of the rebuild. The NBS Sports Hall will be completed in February with Social Sports and activities commencing on the 1st March. Please come and check out our upgraded, new look Community Centre at one of the upcoming community events;

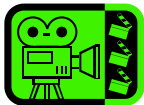

- **Wednesday 22nd of January – Family Fun Night & Outdoor Movie commencing at 6.30pm**
- **Sunday 2nd of February – Sarau Festival commencing at 3:00pm**

Staff are also in the process of planning a re-opening celebration for the Centre. More details will be available later this month. Work is also continuing on the proposed development of a Community Fitness Centre. This proposal is currently awaiting Council approval while we continue with our fundraising efforts.

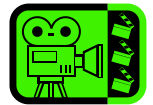

We would love to hear from any individuals or businesses that may be able to offer us sponsorship in any form towards the proposed Fitness Centre or upgrades in the Community Centre itself. There are several items that we are seeking sponsorship for which will enhance the facility for our community. These include; Data Projector, Water Station, Community BBQ & Exercise Equipment. If you or your business may be able to sponsor any of the above items or provide support in any other way, please contact Katrina 027 511 8825 or 5432 516.

Thank you for your continued support. We hope you enjoy the programmes on offer at the Community Centre. See overleaf for full details and if you have any enquiries please do not hesitate to contact us.

Regards Katrina, Vanessa and Scott
