

A word from VanessaI would like to take this opportunity to thank ‘you’, the local community for your continued support of Way2Go programmes here at Mouere Hills. When I look back 5 years and see how far we have come in that time, it is very rewarding to know we are now one of the leading providers of physical activity in the region.

Every day I arrive at work, I’m reminded how lucky we are to have such an amazing facility on our doorstep and seeing so many of you enjoying the activities on offer just adds to being part of what is, a great community.

Whether you’re after a cardio workout, want to build strength and tone muscles, enjoy a run around the netball court or just want to meet new people, Mouere Hills provides it all.

Keep warm and make the ‘active choice the easy choice’
